CORSA HR Hotline: What Issues are Trending?

CCAO is pleased to offer a one-hour webinar on June 14 at 9:30 a.m. titled "CORSA HR Hotline: What Issues are Trending?"

The Fair Labor Standards Act continues to provide challenges to county employers. This webinar will explore whether individuals should be treated by county employers as independent contractors or county employees, and what the courts look at in reviewing such treatment.

It will further discuss the latest developments in the U.S. Department of Labor's attempts to amend the overtime provisions of the FLSA, and what special precautions that county employers should consider taking in the meantime.
