

REVISED SCHEDULE

CCAO BUDGET BRIEFINGS AND CCAO/OAEO VOTING EQUIPMENT EXPOS

Mark your calendars and register for one of CCAO's five budget briefings held around the state for county commissioners, county executives and county council members, their chief staff members and OSU Extension.

At certain locations, there will also be a CCAO/OAEO open house for county officials and boards of elections to view voting equipment from various vendors. Please make plans to see this equipment with your board of elections members and staff. The open house begins at 1 p.m.

The state operating budget traditionally impacts counties more than any other legislation enacted during a General Assembly, and this year was no different. HB 49 provides funding to Ohio's counties and makes many other policy provisions impacting counties. In addition, counties continue to watch how the state will address the \$207 million revenue stream loss that counties and transit authorities will experience once transition aid dollars that were included in HB 49 end.

This year, our program will include presentations from CCAO's policy team on the budget, updates from CCAO's service programs, CORSA and CEBCO along with highlights from representatives from OSU Extension and the College of Food, Agriculture and Environmental Sciences.
