

ODSA funds community improvement projects in 28 counties

The Ohio Development Services Agency (ODSA) has awarded grants totaling more than \$11.6 million through the Community Development Critical Infrastructure, Downtown

Ohio

**Development
Services Agency**

Revitalization and Neighborhood Revitalization Competitive Set-Aside programs. Thirty-three communities, including 28 counties, across Ohio will receive grants to revitalize neighborhoods and downtown business districts. The grants will improve streets, sidewalks, bridges, public facilities and infrastructure as well as rehabilitate buildings in a community's Central Business District. [Read more...](#)
