COUNTY PORTION OF GROSS CASINO REVENUE DISTRIBUTIONS, 2017-2021

August 2022

Payments from the Casino Tax Revenue Fund are made at the end of each calendar quarter. The Casino Tax Revenue Fund is comprised of a number of separate funds each for a different purpose and receiving a different portion of the total fund. The Gross Casino Revenue County Fund receives 51% of all revenue generated by the tax and distributions are made to each county based upon each county's proportionate share of Ohio's population.

Additionally, the most populated city located in a county that had a population of greater than 80,000 according to the 2000 Census receive 50% of what otherwise would have been allocated to their county. The cities (and counties) that this applies to are Akron (Summit County), Canton (Stark County), Cincinnati (Hamilton County), Cleveland (Cuyahoga County), Columbus (Franklin County), Dayton (Montgomery County), Toledo (Lucas County), and Youngstown (Mahoning County).
