CONNECTING YOU WITH A BETTER CUSTOMER EXPERIENCE!

www.roofconnect.com
How can we make the patient experience better AND lower costs?

At Anthem, health care is no longer a fragmented experience. We’ve taken integration to a whole new level where everything’s connected — products, technology, tools and information — and people, too! Everything works together to give our members better care, lower costs and peace of mind.

Doctors are **rewarded** for **high-quality care**, not volume. Doctors and patients are empowered to make good health their main priority.

Patient information is more **easily shared** between doctors. So they can treat the whole person right from the start and lower health risks.

Members are **better informed**, with access to care across the country and online — and surrounded with the support they need to play an active part in managing their care.

Start saving and learn how Anthem is moving the health care delivery system into the future. Contact Mike Kindell at CEBCO at 614-220-0645 or 1-800-757-1904.
